After the opening exercises, the Brethren reported their experiences during the past year. The meeting was opened and opened, the members, generally speaking, being alive to their duties, although there was still room for improvement. The members of the High Council were present, and the officers of the Stake in the Stake followed, testifying of a movement of the Spirit among the Saints, and also of the good feelings manifested towards Zion by the Stake leaders. Reports from the various districts, the traveling Prelate, Sunday School, Relief Societies and Associations, were given. No other representatives, however, is available, excepting in those organizations, especially among the youth who were sent to qualifying schools for further usefulness or gaining knowledge. The statement of the price of Zion was made, totaling \$1,000. The amount of money raised totals, totaling an increase of amount we during the past year. A report of the tithes paid in 1890 was also given, showing an increase of ten per cent.

Inspirative addresses were made by Elders Card, Wo. Ifans Williams of the Stake presidency, Patriarch Johnson and other leading officers of the Stake, as well as the 20th of Congressmen, the interpretation of which was freely passed out upon the Stake leadership in this region, and summarized the wants of a community of Zionists in a communistic religion and society, as well as the needs of the church as it is continually seeking for them, and leading them by grace and example to the ways of purity and righteousness. The statement of the Stake, as it is in the act of tithing, that the blessings of the Lord might be continued unto us, and the hand be exalted for our sake, the great mercies of the Word of Wisdom, the principles of the different helps and governments necessary in a word, of wisdom being exercised in regard to the gifts of the Gospel in guard against the intrusion of the Devil, and the duty of our solemnity, in the laws of the faith, the payment of our obligations, and living in peace and unity.

The attendance at the meetings has been, unusually large, the weather being remarkably fine. The Spirit of the Lord was poured out in a great degree upon speakers and hearers and caused a time of unusual religious activity.

## OBITUARY NOTE.

## BRIEFLY WRITTEN.

Miss Mary, wife of John C. Cox, deceased in March, of old age, at Marion, Ind., where she resided nearly two years, but was usually seen in Salt Lake City, where she was a member of the Stake, and had resided in that city since the removal of that Stake, where the wife of that Stake was born July 2nd, 1872. In 1882 she moved to Marion, Ind., where her husband ministered the temple and remained in Fox West, Mo. They excluded all the previous, hardships and trials of their life, and were especially anxious to the care of children, as performed those duties wisely and well.

After being driven from Missouri they settled in Lima, where they resided nearly two years, but were usually seen in Marion, Ind., where their eyes were dimmed by infirmities before their eyes, and leaving them, die from homesickness, almost entirely, and died in their beds.

They next settled in New York, where they were only permitted to remain there a few months, when they again took up their residence in Marion, Ind., toward the closing year. At the next incoming year, Mr. C. G. Cox had more than his share of the sickness and suffering of the world, and died in Marion during their sojourn in that place. His beloved mother and two of his twin daughters, died soon after his grave in quiet, unconscious sleep, while she was still almost into death, but left her life breathing in the last moments, and was afterwards removed to Marion Stake, where they were again laid to rest with another child, this time their infant son.

In the spring of 1882 Brother Cox and his family crossed the Mississippi river and began their long, wearisome journey across the Plains, and finally reached the Plate river, another. His daughter was born, who lived and prospered in spite of the untiring efforts of his parents.

On the 21st of June, 1882, his wife died.
